March 6-8th, 2020

Democracy and its Futures

VIDEO SERIES

During the conference a series of video interviews was produced in a collaboration between EUCAnet's project CEDoD and the Cedar Trees Institute. Selected scholars were invited to reflect on the question **“What are the challenges populism poses to democracy?”** to capture the various approaches of senior and junior scholars to this question. The outcome is a rich snapshot of scholarly expertise and an archive of the topics that were discussed during this event.
